Dear Dave,

It has been almost a year now since you assisted us with mother's Reverse Mortgage. Since that time, the impact on mom is more than we ever expected. She has paid off most of her credit cards and paying bills is not so stressful. Simply put, she is able to enjoy her life.

I am not sure if you know the positive impact you have had on her and the whole family. We thank God for you every day and pray you and your family are happy and healthy.

Your work helped a woman that always put others in front of herself, and when I look in to my Mothers eyes now, the worry is gone and you did that. You gave her peace of mind and joy and we can't thank you enough for all you have done. I will forever be grateful to you.

Sincerely,

Michelle Bottiglio & Barbara Wile
